10 Year - \$20 Million Endowment Fund Campaign

Spartans4Life™ Legacy Fund

"Spartans4Life building Champions for Life"

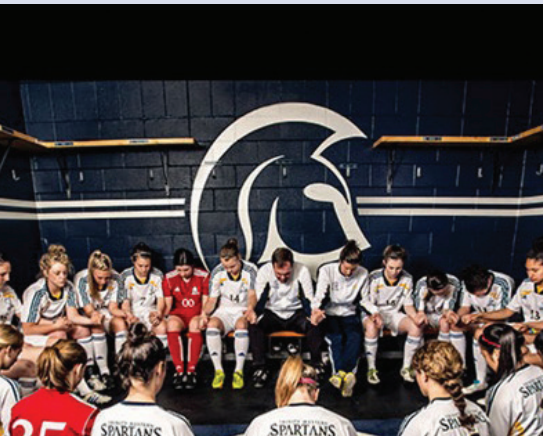

About the Spartan Foundation

The Spartan Foundation is a Canadian federally incorporated non-profit, public foundation. The founders and board members are entrepreneurial innovators who are passionately driven to impact and influence others to financially partner with Spartan Athletics. Launched in 2009, the foundation has raised over \$10 million to invest in student-athletes, empower coaches and fund programs that develop Complete Champions.

The **MISSION** of the Spartan Foundation is to invest in the lives of the Trinity Western University (TWU) Spartan Athletics Program today; which will develop Complete Champions and leaders for tomorrow; all with the goal to further God's Kingdom.

Our **PURPOSE** is to develop a strategic and sustainable funding model for the TWU Spartan Athletics Program.

The Spartan Foundation's Spartans4Life™ 2020 campaign is a response to growing needs. Many alumni, friends and family agree that assisting young student-athletes on their way to becoming whole and effective servants of Jesus Christ is one of the most rewarding investments they will ever make.

The Spartan Foundation provides funding to TWU Spartan Athletics which has attracted some of the most gifted student-athletes in the world for over 50 years. Commitments to the Spartans4Life™ 2020 Endowment Campaign will ensure bright futures for alumni and students while giving the opportunity to attend TWU.

Impact Generations

Invest in Spartan Athletics and help create powerful platforms from which students emerge to shape and impact the next generation and the world. Your gifts, large and small, make a difference, collectively and individually.

“Spartan Athletics and my time attending TWU have shaped me into the person I am today. My time in the volleyball program prepared me to be the best version of myself, while loving others the way Jesus loves us. I was challenged to make decisions about who I wanted to be, and I am so thankful for the safe, encouraging, and God centred environment of Spartan Athletics to make those decisions. Since graduation, I have continued to play volleyball at the highest level, including the 2016 Olympic games. Spartan Athletics has prepared me not only to be a great volleyball player, but also someone who is striving to love Jesus and pass that love to the next generation. I have had so many opportunities to impact this world for God’s kingdom since graduation, and I owe that all to my time in the Spartan Athletics program. God works in incredible ways!”

Rudy Verhoeff, Spartan Volleyball 2007-2012, Complete Champion Award winner 2012, Rio Olympics 2016, Pro Volleyball Player

Spartans4Life™ Fund

Keep the Spartan experience alive for generations to come and partner with passionate alumni, parents, corporate partners, the local community, family and friends.

GOAL: \$10 million to operate the Spartan Foundation in perpetuity

Complete Champions Fund

Support Spartan Athletics and the Complete Champion Approach™ with endowed scholarships, programs and other initiatives which are the catalyst for this whole person development model aimed at intentionally developing student-athletes academically, spiritually, personally, athletically and as leaders in their communities.

GOAL: \$10 million to fuel innovation in perpetuity

“Over the past ten years it has been rewarding to witness the impact of the Spartan Foundation’s efforts to support the students and the program of TWU athletics. The results of that program speaks for itself when you look at the trophy case. The results speak louder when you look at the men and women who have benefited from the program and the impact they are having on the world around them once they move beyond the university.”

Marten Van Huizen, Principal Field & Marten Associates, Original Board Member

"The Complete Champion Approach was instrumental in the success I had at TWU. The support I received really helped me shape a core value in my life in that success means we go to sleep at night knowing our talents and abilities were used in a way to serve others. It gave me the opportunity to have experiences where I played against the best in the world, served in third world countries alongside my teammates, had world class coaches and trainers and learned to compete at the highest level and set goals that were bigger than myself and to impact the community I live in. I am forever grateful to the donors for the platform and freedom I was given to have a scholarship. By taking this pressure off athletes they are able to focus on representing TWU to the best of their abilities on and off the field / court / arena and to glorify God in all that they do."

Natalie Boyd, Spartan Soccer 2009-2013, Women's Whitecaps, Complete Champion Award winner 2013, currently Realtor for RE/MAX Little Oak in Fort Langley

Invest in the Future... Build for Eternity

TWU and Spartan Athletics provides a place for students to grow in the truths of God's Word. It develops skilled and compassionate graduates who make an eternal difference in the lives of others. It builds a community with a common vision – to impact lives in Canada and the world. We invite you to invest in the next generation of leaders by considering a generous gift.

Consider honouring a loved one, family member, friend, or favourite coach by establishing a "named" endowed scholarship, ultimately investing in the lives of young men and women preparing to be extraordinary workers for Christ and His Kingdom.

Ways to Invest:
